## **HIGH(EST)LIGHTS**

Everything we have done in the past and will do going forward is made possible only with the active and very generous material (food donations, etc.) and financial support of our Parish community, some local retailers (see list below) who donate to us regularly and our SVdP volunteers (listed above).

Any of you not so listed are cordially invited to volunteer your services to our ministry. You'll grace us with your involvement and the Lord will return those graces to you many times over.

Also, this ministry would not be possible without the active support and cooperation of our Pastor, Parish Staff, School Administration, Faculty and Students, especially the Junior St. Vincent de Paul group at St. John's School.

Local retail establishments who are regular contributors to our Food Locker:

LaBou  
Noah's Bagels  
Raleys  
Safeway  
Savemart  
The Farmer's Wife

Since these folks support our Food Locker with donations, please support them with your business.

Thank you and God bless you for your continued support and generosity.

Respectfully Submitted,

St. John's Parish St. Vincent de Paul Society
